

HANDS-ON 6 [Intermediate] Services & Dependency Injection

The top screenshot displays the 'Courses' page of the Student Course Portal. The page features a header with navigation links: Home, Courses (active), Profile, Enroll, and Enroll (Reactive). Below the header, there are two summary cards: 'Total Catalog Courses' and 'Available to Enroll', both showing the number 5. A '+ Add Sample Course' button is located below these cards. The main content area displays a grid of four course cards:

- Angular (ID: 1, CS101):** 4 Credits, PASSED status. Buttons: Show Details, Enroll.
- Java (ID: 2, CS102):** 3 Credits, FAILED status. Buttons: Show Details, Enroll.
- Python (ID: 3, CS103):** 4 Credits, PENDING status. Buttons: Show Details, Enroll.
- Database Systems (ID: 4, CS104):** 3 Credits, PASSED status. Buttons: Show Details, Enroll.

The right side of the screenshot shows the browser's console log, which contains the following messages:

- HomeComponent initialised – courses loaded
- Angular is running in development mode.
- Previous Value: undefined
- Current Value: `{code: "CS101", credits: 4, gradeStatus: "passed", id: 1, name: "Angular"}`

- Previous Value: undefined
- Current Value: `{code: "CS104", credits: 3, gradeStatus: "passed", id: 4, name: "Database Systems"}`

The bottom screenshot displays the 'Home' page of the Student Course Portal. The page features a header with navigation links: Home (active), Courses, Profile, Enroll, and Enroll (Reactive). Below the header, there is a 'Student Course Portal DATA BINDING DEMO' section. This section contains two main components:

- Action Center:** A button labeled 'Enroll Now'.
- Search Portal:** A search bar with the placeholder text 'Search courses...'. Below the search bar, it says 'Searching for:'.

Below the search portal, there is a 'Course Directory Summary' section with two summary cards: 'Total Catalog Courses' and 'Available to Enroll', both showing the number 5. A '+ Add Sample Course' button is located below these cards.
